

WHAT PROGRESS WAS MADE?

2024

KEY CONCERNS

RECOMMENDATIONS

3

Effective arrangements should be put in place to set, monitor and maintain high standards of cleanliness and hygienic practice in residential units

Procedures for controlled drugs

Face-to-face contact with Probation Officers

GOOD PROGRESS

4

Complaints handling

Capacity and capability of the addiction service

On-site College leadership

Quality of Personal Development Plans to support progression

REASONABLE PROGRESS

5

The drug strategy action plan should be up to date, widely communicated and closely tracked to reduce the supply and demand for drugs and alcohol

Scope of consultation with prisoners

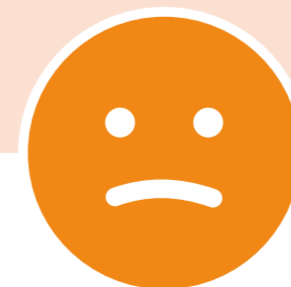

Overview of the quality of education, skills and work

Number and quality of work activities

Improve essential skills provision

INSUFFICIENT PROGRESS

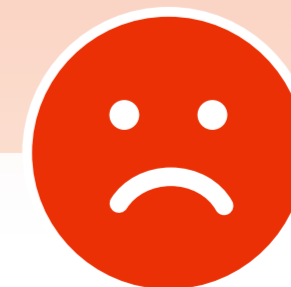

2

Perceptions of staff victimisation

Digital strategy for delivery of learning and skills

NO MEANINGFUL PROGRESS
